

IMTA Grant Proposal
Project Description

Submitted by: Jennifer Keeley, Vice-President of the South Bend Area Music Teachers Association in South Bend, IN

Date: 3/16/23

Project Description:

Each year our local group of music teachers likes to host a “big name” speaker to kick off our school year. In previous years we have asked composers, performers, directors, etc. to speak. This year we would like to hear from Joy Morin, Piano Teacher and Blogger, who will present the piano lesson games and activities that she uses to motivate her students. She has a website with information about her various programs at ColorInMyPiano.com.

Mrs. Morin lives in Michigan, so she will drive to South Bend (3 hours one way) and give an hour (or more) presentation. Her fee is \$250.00 to speak and we will also pay for a hotel (one night) and travel expenses. In addition, we would like to have enough funding to advertise on face book for this event so that others in the area may be included.

Location:

Mrs. Morin will speak to us at Shirk’s Piano Gallery in their meeting area in Mishawaka, Indiana.

Date of Project:

September 8, 2023 from 10:00-11:00 a.m. EST (or longer)

Personnel Required:

Our speaker, the owner of the venue, and an audience.
